SELECTMEN HEAR SARGENT

Mattapoisett Selectmen were hosts as the Plymouth County Selectmen's Association met at the Harbor Beach Lodge last week. Mr. David N. Haley, chairman of the Board of Selectmen for Mattapoisett, welcomed the gathering of close to 100 representatives of the one city and 26 town governments in Plymouth County. Mr. Haley said that this meeting was being held in Mattapoisett for the first time and he expressed the pleasure of the Mattapoisett Selectmen in the large gathering.

Mr. Francis W. Sargent, commissioner of the State Department of Public Works, was the principal speaker. He was introduced by Mr. Frank H. Cutler of Wareham, president of the association. Mr. Sargent said that he is endeavoring to improve the image of the Department of Public Works by doing a businesslike job. He stated that the department, hurt by its poor image in the past, has failed to attract young graduate civil engineers. He noted that many talented people in public service are nearing retirement age and that young, qualified people must be recruited into public service. Mr. Sargent said that the department is concerned with safety on the highway and that this is a 3 pronged affair. Vehicular design, driver education and law enforcement, and proper highway planning were the 3 main safety programs, he said. The department is now engaged in a 4-year, $12,000,000. program to correct accident prone areas. Route 195, he stated, is designed for beauty, economy and safety. The wide median strip will divide the traffic and trees will be left for beauty's sake.

Mr. Cutler introduced head table guests. Among those seated at the head table were State Senator William D. Weeks of the Norfolk and Plymouth District; Plymouth County Commissioner, George Ridder; Plymouth County Treasurer, Frank Randall; Clarke H. Worth-

THREE CONTESTANTS NAMED FOR MISS WAREHAM PAGEANT

The committee for the Miss Wareham Scholarship Pageant announces the names of three very lovely contestants for the Pageant which is to be held Saturday, May 7th, at 8:00 P.M. at the Wareham Town Hall. The Miss Wareham Scholarship Ball will be held Monday, May 2nd, at 8 P.M., also at the Town Hall.

The first of the contestants is the pert Miss Barbara Maxim, daughter of Mr. and Mrs. Howard Maxim, 113 Gibbs Avenue, Wareham. She is a graduate of Wareham High School and is presently employed by the New England Telephone and Telegraph Company as a telephone operator. Formerly she was employed by W. T. Grant Co. in Wareham as head clerk of the cosmetics department.

While a student at Wareham High School, she was a member of the mixed choir and also a member of the CYO at St. Patrick Cenacle for four years. Among her many hobbies are designing and sewing many of her own clothes, hair styling, bowling and cooking. She said, "I enjoy traveling very much too, and I would like to see more of the United States to familiarize myself with how people live in other parts of the country.

"I have always had a keen interest in singing and dancing, and should I win a scholarship in the Pageant, I would use it to further my education in these areas." Her talent presentation will be an original dance which she choreographed herself.

The second contestant is Miss Kathy Anne Bumpus, daughter of Mr. and Mrs. Lester H. Bumpus, Sawyer Road, Wareham. She is a senior at Wareham High School and one of the most active members of the class. As co-captain of the cheerleaders, she cheers her school team on to victory at sporting events. She is president of the Code Club, chairman of the Jr. A.F.S., editor-in-chief on the "Caper", the school yearbook, and a member of the Girls Glee Club. She gave a very entertaining performance as one of the lead actresses in the senior play, "The Skin of Our Teeth". She was also a recipient of the D.A.R. Good Citizen Award. Very active in Rainbow, she is a past worthy advisor of Wareham Assembly No. 56, and was senior queen of the Rainbow Valentine Dance.

Ambition should be Kathy's middle name. When asked what she plans to do with her scholarship money should she win, she replied, "I would use the scholarship at the University of Massachusetts. I plan to become a surgeon eventually." This certainly is a most commendable goal.

Her hobbies are skiing, modeling and playing the accordion. An intermediate skier, she travels to many of the New Hampshire ski resorts such as North Conway and Senape during the winter season. She also enjoys water skiing

during the summer. As for modeling, she has appeared for Newmans of Wareham in three style shows sponsored by the Wareham Monday Club. She has taken accordion lessons for four years from Richard Govone of West Yarmouth, and for her pageant talent she will play this instrument.

The third contestant is Miss Dorothea Ann Cardoza, daughter of Mr. and Mrs. Fred Cardoza of 105 Ash Street, Wareham.

Dorothea is also a senior at Wareham High School. She took part in the senior class play this year and she is also a member of the Pep Club. She was a contestant in the Miss Cape Cod Pageant in 1963 sponsored by the NAACP.

In September she will enter Juliet Gibsons College, formerly Patricia Stevens College, in Boston. "If I should be a recipient of a Pageant scholarship, I shall use it at Gibsons, where I plan to complete a course of study to become either a medical or legal secretary."

Dorothea is very interested in sports and plays women's basketball herself. She also enjoys bowling every week with her family. "I like to do things with my family," she said, "because time passes to quickly and all to soon the family goes their separate ways." Sewing and cooking are also among her hobbies.

A member of the Glee Club at Wareham High School, Dorothea has a keen interest in music. For her talent presentation in the Pageant, she will sing a piece selected for her by Leo Preduzzi, music director at the school.
